

REMARKS

Claims 8-19 are pending in the application. The specification has been amended to correct various informalities and syntactical errors. The recitation of "Fig. 12D" has been changed to "Fig. 10D" at page 67, line 22 in order to correct a typographical error. Support for the amendment can be found at page 67 in the specification where Fig. 10 is discussed, and the discussions therein are not directed to the subject matter of Fig. 12. Claim 8 has been amended to incorporate the subject matter of canceled claim 1. Accordingly, no new matter has been inserted into the application.

Drawings

Applicant has noticed that Figures 10A-D are switched with Figures 11A-D in the present application. Therefore, Figure numbers 10A-D as originally presented have been amended to 11A-D and the originally presented Figure numbers 11A-D have been amended to 10A-D. The Office is respectfully requested to enter these changes into the application as they present no new matter. Support for the changes in the Figure numbers can be found at *inter alia*, pages 11-12. Figs. 10A-10D are described as showing various deletion constructs of GST-synuclein. However, Fig. 10 as originally filed shows C-terminal acidic tail region of α -synuclein, β -synuclein and γ -synuclein. Further, at pages 11-12, Figs. 11A-11D are described as showing these α -, β -, and γ -synucleins. Therefore, Figures 10A-10D and 11A-11D have been erroneously switched. Applicant respectfully requests substitution of the original Figures 10A-D and 11A-D with the enclosed corrected Figures 10A-D and 11A-D.

Substitute Figure 12A is enclosed, which contains sequence identifiers.

Sequence Listing

The Office is respectfully requested to apply the Sequence Listing currently of record in the parent application Ser. No. 10/223,978 to the present divisional application.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 502486 during the pendency of prosecution of this application. A duplicate of this paper is enclosed for the Deposit Account, should it be needed.
